Indian-Origin Agro Products for European Global Buyers

SEEDS · PULSES · COFFEE & TEA · JAGGERY · SPICES · DRY FRUITS · HERBAL POWDERS

ABOUT US

S2 Coastal Traders is a merchant export firm based in India, focused on connecting authentic organic agro-products with European and global buyers. As a merchant exporter, we maintain a wide sourcing network across origin regions of India, allowing us to arrange reliable, quality-verified supply across the categories listed in this catalogue.

We handle sourcing, quality verification, export documentation, and logistics which gives our buyers a single, dependable point of contact for organic agro-commodities.
